

YAMSEN

SpeciallyMusic

New Children's Choir

For KS 1 and 2

Yamsen are forming a choir for pupils with learning disabilities in Key Stages 1 and 2.

What will we sing?

Simple songs with a limited amount of words, call and response songs, songs that have movement and actions, simple 2 part songs and rounds, and songs from different cultures.

We will...

Have fun, participate in a big group activity and work toward performances. We'll learn to control and use our voices, learn about rhythm, pitch and dynamics through song; use signs and symbols; learn to follow conductors, and enhance our attention and listening skills.

The choir will be led by our One Accord choir staff: Clare Thompson and Sophie Jennings, and our pianist Betsey Whiting.

The choir will run on monthly Tuesdays at the West Park Centre, Leeds.

Rehearsals run
10.30 – 11.45 am.

Join our first sessions:

Tue Sept. 13

Tue Oct. 4

Tue Nov. 8
