Led by Ros Huntley B.Ed., M.Ed., (autism children)
an experienced Specialist Teacher
with 25+ years' experience working with SEN children with speech delay,
communication difficulties and/or autism.

"For many years Ros's Musical Communication has been a valuable tool in
nurseries and schools. Musical Communication is a valuable strategy to add to
the list of positive intervention for any child with social communication
difficulties, and I recommend it very highly."

Hilary Painter: Specialist Speech and Language Therapist.
