The Leeds and Liverpool Canal

1. How do you get your narrow boat to go on the Leeds and Liverpool canal? x 2
Harness up your horse to walk along the towpath, haul it, haul it x 2
2. How do you get to climb up Bingley Hill on the Leeds and Liverpool canal? x2
Open up the locks to let the water in and fill it, fill it, fill it, x 2

Chorus

Two hundred years of narrow boats
ninety one locks along the way.

Two hundred years of Leeds to Liverpool

Celebrate with us today

Chorus

3. When there's a great big tunnel in the way on the Leeds and Liverpool canal x 2

Lying on your back, your feet are on the roof, so leg it, leg it, leg it. x 2
